Here is an update from one of our mission partners

Jo - Middle East

Jo is currently serving the Lord in the Middle East with a particular focus towards ministering to women in partnership with the church.

Jo is grateful for the many answered prayers and our continued support. Since Jo's last writing, after weeks of accommodation searching, her team has moved, a huge undertaking. Sifting through accommodation ads was an eye opener- living rooms "salons" and fancy fixtures "deluks". They have a balcony with a lovely view and kind neighbours who have delivered them some delicious meals.

In August, they welcomed another family to the team, including a nurse and her husband. They all speak excellent Arabic. The male team member has admin skills, and they're looking for partners to establish a gardening group.

Now they are settled, visiting local communities has recommenced, and they are close to finalising their programs. The recent dental care, healthy eating, and intentional play sessions with children were well received....

... Pray for the women they come into contact with so that they can show them compassion and love.

Their next goal is to find a suitable office and community centre that serves the local's needs, the gardening project, team unity and growing a shared vision for their work and the local area and fruitful relationships with their new neighbours.
