

# Can You Please Help?

'...excel in this grace of giving' 2 Corinthians 8:7b

## How do you give now?

Do you currently give your offering/tithe and mission donations by Direct Debit or by EFT (Electronic Funds Transfer)?

If so - **THANK YOU FOR YOUR SUPPORT!**

Please consider if it is time to review your current giving and update your offertory amount with our bank (for Direct Debit) or with your bank (for EFT)?

If not -

Can you please consider making your regular offering via Direct Debit or EFT?

*(See the back page for information)*

Simplify

## Why?

- It is a **simple process** and can still be done anonymously if preferred.
- It is more **secure** than cash.
- It will help us **reduce** our administration time, and reduce the load on our volunteers and office staff.
- It will also **assist** with our budgeting and cash flow management.
- **You can** still nominate to give part to the Church and a separate amount to Missions.
- You remain in **control** throughout.

If you are unable to use online banking...

No problem and again –

**THANK YOU FOR YOUR SUPPORT!**

If you could use the Offering Envelopes, that would help too. They are available at the back of the church for you. Please pick up a box today.
